

Success story : AP Automation

TIKKURILA

Manufactures and sells
paint and coatings
ERP: Microsoft Dynamics AX
150K invoices per year
Revenue: \$850M USD

Challenges

- Decentralized AP process
- Different systems and manual tasks used across the different entities
- Lack of visibility when paper invoices got stuck on people's desks

Results

- One system and one process across the company, from invoice receipt to approval and booking in the ERP
- Full control of the invoice process
- Visibility into all invoices across the international organization
